

Let's Grow Leaders

3-IN-ONE Workshop:

★ Leadership & Influence

They say Leaders are born, not Made. While it is true some people are born leaders, some leaders are born in the midst of adversity.

★ Emotional Intelligence

Emotional Intelligence describes the ability to understand one's own feelings, and that of groups, and how these emotions can influence motivation and behaviour.

★ Work-Life Balance

Having a balance between work and home life can be a challenge. With this challenge come great rewards when it is done successfully.
